

# Hernandez Sanitation Purchases Disposal Equipment From County Towing Inc.

by Shelby Wye

County Towing Inc. has sold their disposal bin equipment to Hernandez Sanitation, who will be managing the disposal bins under the name of County Disposal Services.

Derek Didone Jr. of County Towing Inc. said they purchased Coxon's Towing last year, and now serve all over Ontario and Midwest states. With major growth, their focus and primary objective will be their towing and recovery services.

In turn, they chose to sell the equipment related to disposal bin rentals. There were two trucks, one roll-off trailer and 25 bins sold to Hernandez Sanitation. Didone Jr. said they appreciated they were individuals with a great work-ethic and they can keep the services local.

"We have pride in growing that company and we didn't want to just sell it to anybody," said Didone.

Hernandez Sanitation is operated by Louie and Naomi Chiarappa. The two have been operating

Hernandez Sanitation for five years, specializing in all things related to septic pumps and even beyond.

With this purchase, they will be taking on a whole new endeavor alongside their other work. They will be operating the company under the name County Disposal Services and will be on hand for people to rent the disposal bins for big moves, construction, clean outs and more.

"This was another opportunity to expand our company and diversify,"

said Louie Chiarappa.

Chiarappa said this was a good business to invest in because it helps serves the community well.

Right now, Hernandez Sanitation has eight employees who work full time and are looking forward to the opportunity to further grow their business and workforce with this new endeavor.

County Disposal Services and Hernandez Sanitation can be contacted at 519-738-3309 for further information on their services.

Letters: All "letters to the editor" for publication must bear the full signature of the writer along with the address and telephone number. Letters may be verified by telephone. Letters should not exceed 400 words. Letters containing libelous, abusive or inaccurate material, personal insults or unsubstantial allegations will not be published. All submissions are subject to editing and The Harrow News reserves the right to refuse any material. The opinions expressed in written letters to the editor are not necessarily the opinions of the editor or the employees of the Harrow News.

I would like to take this opportunity to acknowledge and thank all of the wonderful people who work so tirelessly year after year to put on the best fair anywhere.

Sadly there are those who for some reason put a damper on it with their negative comments. These are the ones who should come and see how many hours the fair board and volunteers put in, not just for the four days the fair runs but for the year of planning leading up to it. From exhibits, entertainment, vendors etc. it is a well oiled machine. There is a reason it is still around after

165 years - dedication and commitment. So many of the volunteers take time off from their jobs to set up and take down everything needed at the fair. These people aren't looking for praise and glory but they sure do deserve it. I say instead of spreading negativity come out and lend a hand.

I am not Harrow born, I was a city girl until the age of sixteen. The best thing my parents did was to move to Harrow. I am proud to call Harrow my home and extremely proud of the people here.

So a heartfelt Thank You to each and every one who had a part in putting on The Best Fair around.

Congratulations on yet another wonderful year.

*Sincerely*  
*Mary Gibb*

### HEIRS

As a board member of the local historical society HEIRS, I am writing this as a personal letter to those of you who know me directly from Harrow/Essex, and to our newer residents.

Please accept my personal invitation to access the world-class local archives on file in the HEIRS office

at the Harrow Arena. (Open Tuesdays/Thursdays from 10 am - 3 pm.

HEIRS is endeavoring to make the same resources available globally on-line with up-to-date computer hardware and software. To this end I invite your financial assistance. I thank you in advance for your confidence in me as I represent HEIRS to you.

The HEIRS mandate is to showcase the history and genealogy of our local area - our young people are our most sustainable and renewable natural resource. We wish their every success now and in the future. HEIRS stands ready to record and acknowledge their lives and accomplishments.

Congratulations as well to the Harrow Fair Board on the 165th anniversary of this excellent agricultural landmark event.

I have had the privilege of living in Harrow for 38 of my 70 years. I choose to view Harrow as quietly progressive and with a great appreciation of heritage and history. I believe in Harrow.

*Sincerely*  
*Brian A. Leslie*
