

NO DIG COMMERCIAL PIPE INSPECTION

COMMERCIAL, INDUSTRIAL, AND MUNICIPAL TRENCHLESS PIPE REPAIR WITH MINIMAL DISRUPTION TO YOUR BUSINESS OR PROPERTY!

Need pipe repairs at your business or institution? Hernandez offers complete commercial pipe inspection, pipe repair, and pipe patching services. We can inspect pipes anywhere from 1.25" to 60" in diameter, have cameras that can inspect up to 1000 ft., and can patch as far as 300 ft., all with no digging, no demolition, and no mess. This means that we can take care of your pipe inspection and

— **We Keep Things Flowing.** —

repairs without disrupting your business or property.

Hernandez Sanitation offers complete commercial pipe and drain repair services. With our No Dig Pipe Repair and Pipe Patching, we can work to fix and maintain your drainage systems without disrupting your business or property. We use state-of-the-art technology to find, repair, and maintain your pipes and drains so they run their best, and can work with any industry throughout Windsor-Essex and throughout Southwestern Ontario, including hospitality, recreation, public institutions, retail and shopping centres, and more.
